

Badgastein, 26. Aug. 04.

Dear friend,

I am glad to know
your taking your
holiday in such lovely
country. I have been
here for three weeks
and leave on the 30th,
when I go via Imünden
to Switzerland and later
to Triano near Florence.
Miss Timwill shall be
welcome and I will see
her before the Exam
to give her the best
advice I can. Of course
I can not be sure that
she will be admitted

at the Hochschule before
I have heard here
and you must be plea-
sed to tell her so. We
generally have about
40 or 50 applications
and can only chose
about ten of the number.

With affectionate
greeting

Yours very sincerely
Joseph Jackson
